Risk	People affected	Risk Rating (1 High - 5 Low)	Solution	New Risk Rating
Covid	Everyone	1	Government and FA guidelines must be observed and prevent the spread through the prevention of contact.	5
Hygiene	Everyone	2	The council facility has been fitted with sanitization stations and must be used on arrival after changing and a repeat after the game.	5
Equipment	Allocated members of both teams	1	Balls, corner flags will be cleaned before use. Linesman flags will be provided by the respective teams running the line.	5
Travel	Everyone	1	See top solution, if not possible masks should be worn as per guidelines also.	5
Changing Rooms	Players and members	1	Will be used and limited numbers allowed in at a time. With them being cleaned before and after matches by home team members. Showers are not to be used until we are allowed by the council.	4
Arrival	Covid members and players	1	Upon arrival a list of everyone will be made, using the head contact for the other team to allow them to distribute more info if needed. They will also use hygiene stations.	5
Arrival times	All players and members	1	Home teams will arrive 1 ½ hours before, away 1 hour. Ref being one person can arrive when best and use separate changing facilities.	5
Toilets	Everyone	2	Hopefully they clean their hands. But only indoor toilets are available, and changing rooms are locked during game time.	5
Drink Bottles	Players	2	Players are responsible for providing their own drinks and keep track of them.	5
Misc	Everyone	1	Many more risk which require common sense and explaining the seriousness and extent to our responsibilities are players.	5
