Risk Index	Risk	Risk Responsibility	Mitigation	Risk Rating	Mitigation Rating	Date Mitigation Implemented
01	There is a risk that an attendee of a BUFC football session may enable the spread of Covid-19, by failing to acknowledge virus symptoms.	Everyone	Everyone, irrespective of degree of involvement will prior to travelling to a BUFC football session, carry out a self-assessment for symptoms of Covid-19. If symptoms are noted, the individual must self-isolate and advise BUFC Covid-19 Officer so that an impact assessment can be undertaken, incorporating where deemed necessary, NHS track and trace, contact isolation, football activity suspension.	H	M	
02	There is a risk that an attendee of a BUFC football session may enable the spread of Covid-19 by not observing social distancing and/or not being aware of the measures taken by BUFC to prevent.	Everyone	<p>Whilst attending a BUFC session, (pre, during and post) attendees will practice social distancing as per the current Government guidance.</p> <p>All attendees will be required to have read this risk assessment and provide contact details for recording in the BUFC Covid-19 Attendance Register.</p> <p>Spectators will be guided to a set area, where they will be required to observe all current Government guidelines with regards social</p>	H	M	

			distancing		
03	There is a risk that players and club officials, participating in a BUFC football session may enable the spread of Covid-19 whilst travelling to the session	Club officials Team Management Players	Players and officials will be advised to adhere to Government guidelines with regards use of public transport and car sharing.	H	L
03	There is a risk that players and match officials, participating in a BUFC football session may enable the spread of Covid-19, pre- and post-match, through the shared use of changing facilities.	Players Officials	Facilities will not be provided for changing or showering, it will be expected that players and match officials, make their own alternative arrangements / facilities e.g. multiple towels, wet wipes. Players and match officials will be requested to attend BUFC football sessions already changed. Players will retain their kit and arrange for their own laundry. Limited Toilet facilities will be provided pre- and post-match, facilities will be sanitised pre and post-match with hand washing facilities. Players will be advised of the need to practice social distancing, wash their hands before travelling to a BUFC football session, to provide their own personal sanitiser and use it regularly.	H	M
04	There is a risk that players participating in a BUFC football session may enable the spread of Covid-19, pre-match, through failure to ensure social distancing.	Players Team Management	Players / Teams will be guided to an area of the football facility which will be designated for their respective teams use. Players will be reminded that the 'respect handshake' will not take place.	H	M
05	There is a risk that attendees of a BUFC football session may encounter football equipment harbours Covid-19, enabling the spread of the virus.	Everyone	All equipment (footballs, cones, training bibs, flags [corner / assistant], pumps ...) will be sanitised with an appropriate anti-viral spray pre-match and post-match. Footballs will also be sprayed at half-time and appropriate times during the match, for example at appropriate times by team management when not use, i.e. reserve match balls and by goalkeepers when retrieving match balls. Players will be reminded that handling of footballs should be kept to a minimum.	M	M
06	There is a risk that players participating in a BUFC football session will through spitting, shouting, enable the spread of Covid-19	Players	Players will be instructed that they should refrain from spitting. They will also be reminded of the means of transmission, specifically aerosol and the need to minimise shouting, especially when in proximity of others.	M	M
07	There is a risk that players participating in	Team	Players will be instructed that there will be no shared water	M	M

	a BUFC football session will through the shared use of water bottles enable the spread of Covid-19.	Management Players	bottles, that they must individually provide their own and that sharing must not take place.			
08	There is a risk that club officials and/or match officials, whilst organising a BUFC football session may enable the spread of Covid-19 through their interactions.	Club committee members Team management Players Match officials	<p>Interactions will be limited and observe all current Government guidelines with regards social distancing, paying particular attention to the 'one metre plus' guidance, specifically at times such as coin toss, player / official discussions, injured player assessments, substitutions, misconduct,</p> <p>Players and officials in addition to social distancing, whilst engaged in discourse will not shout, raise their voices, so as not to increase risk of any transmission.</p> <p>Players will be reminded of the need to refrain from goal celebrations.</p> <p>Match official fees will where possible be provided electronically. Paperwork and any match official fees, where not able to be paid electronically, will be provided in envelopes.</p>	M	H	
09	There is a risk that players and/or physio, coach, team management participating in a BUFC football session may enable the spread of Covid-19 when providing medical assessment / attention.	Team Management	<p>Only designated physio, team management will enter the field of play to attend to player injuries.</p> <p>When attending the physio / team management will wear a face mask.</p> <p>Initial assessments will observe 'one metre plus'.</p> <p>Any equipment used to provide assistance will either be disposed of in a responsible manner or sanitised for future use.</p>	M	H
